20 YEARS OF TASTE OF VINTAGE

Reaching the 20th anniversary of Taste of Vintage marks an extraordinary milestone that reflects the dedication, generosity and passion of donors, supporters, volunteers, employees, sponsors, honorees, models and guests who have championed Goodwill's mission. This year, instead of recognizing a single Community Service Honoree, Goodwill proudly celebrates all previous honorees and models whose enthusiasm made Taste of Vintage a signature event.

Over two decades, Goodwill has recognized 14 community service leaders whose vision, volunteerism and commitment have inspired others and built a stronger community.

Their leadership has improved lives, enhanced neighborhoods and helped build a stronger community for generations to come.

Since 2006, at least 650 models have brought Goodwill's Vintage Collection to life on the runway, demonstrating the value of reuse, sustainability and self-expression while donating their time to support a cause larger than themselves.

For nearly a century, Goodwill Industries of Akron has helped individuals prepare for, find and retain employment across Summit, Portage, Medina, Ashland and Richland Counties. Funds raised through Taste of Vintage advance this mission by creating opportunities for individuals facing barriers to employment, empowering them toward independence.

Goodwill honors everyone who played a role in two decades of food, fashion and fun, acknowledging the lasting impact made on thousands of lives.

Better safe than sorry.
We can provide confirmation
of where you stand and
how to improve.

We have your answers. Let's talk.

Mary Beth Kluge
"Making A Difference" Award

We are proud to honor Anne E. Lazzerini with the Mary Beth Kluge "Making A Difference" Award!

The beautiful, enthusiastic, energetic and kind Anne graced the Taste of Vintage runway every year beginning in 2010 through 2025. She always welcomed her fellow models with a dazzling smile. Her unexpected passing earlier this year reminds us all to be joyful and make a positive difference each day. We are awed by the dedicated service she shared with Goodwill and many other organizations.

Anne's award is named for Mary Beth Kluge who served as Goodwill's Board Chair from 2001-2002 and served a total of 21 years as a director between 1996 and 2019. Mary Beth always reminded us to put participant services first and loved celebrations of exceptional people and accomplishments that benefit our greater community. This recognition honors an agency director, honorary or past director, volunteer or team member who has gone above and beyond to serve Goodwill's mission and to make a positive difference.

Tonight we celebrate Anne .... who really knew how to MAKE A DIFFERENCE!
