HONOREES KIM & CHAS SCHRECKENBERGER

Kim & Chas Schreckenberger began building their life together 38 years ago – dedicated to each other, their three children, professions and the community. Goodwill is especially grateful for the 15 years the couple spent in total on its board, with both currently serving as honorary board members.

Kim, retired as an administrator from Akron Public Schools, is active in many local organizations such as Boy Scouts of America, Great Trail Council; Girl Scouts of Northeast Ohio; honorary board member of The Goodwill Industries of Akron, Ohio, Inc.; Kent State University National Alumni Association; St. Bernard's Catholic Church; Stan Hywet Hall & Gardens; and Summit County Historical Society. Kim is a graduate of Leadership Akron NEXT Class VI.

Chas, principal, of Braun & Steidl Architects, a Studio of PRIME AE Group, has served the community through his leadership roles at St. Bernard's Church as a twenty-five year member of the Finance Council, as a eucharistic minister, usher, and member of the Knights of Columbus; honorary board member of The Goodwill Industries of Akron, Ohio, Inc.; past trustee and past president of Weathervane Community Playhouse in Akron; board member of Stan Hywet Hall & Gardens; board member of the Summit County Historical Society, both on the board of Boy Scouts of America, Great Trail Council and the Lakes District Chairman; and as a member and chair of the City of Green Historic Preservation Commission. Chas is a graduate of Leadership Akron Class XVI. In 2015, Chas was recognized with the AIA Ohio Public Service Award and was elevated to the AIA College of Fellows in 2018.

The two met at Kent State University where Kim has a bachelor's degree in education and Chas a bachelor of architecture degree. In addition, Kim has a master's degree in education from The University of Akron.

Together Kim & Chas continue their dedication to serving the greater Akron community through the many charities they support, and Goodwill is thrilled to celebrate their efforts tonight.

WHO KNEW DONATING CLOTHES Could Employ so many people?

GOODWILL DID.

And they continue to help job seekers prepare for their careers every day.
